Rotary Information

The Four Way Test

In 1932, Herbert J. Taylor, a Member of the Rotary Club of Chicago, was asked to take over a company called Club Aluminium Co. This was near bankrupt.

He wanted to run the Company in an ethical manner and he asked his Department Heads to do the same.

They developed a code which had four points, which Taylor called The Four Way Test.

Taylor credited the Test for turning the Company's fortune around, as he paid off it's debts . The Company became very profitable

The RI Board voted to officially adopt the Test in 1943.

Herb Taylor became RI President in 1954.

He donated the copyright for the Test to Rotary.

Rotary Club. He reported that it is a very vibrant Club with sixty Members and that the Meeting was most enjoyable.

REPORTS

Secretary - Tim Clements

An e-mail has bee received from DG Elect Eric Russell, regarding any Member wishing to join any of the District Committees. There will be training available.

Fai advised that she would like to stay on the District Public Relations Committee.

There will be a Board meeting on Thursday.

He reminded all the Committee Chairmen, that reports on their plans will be required at the Assembly.

We have been contacted again by DG Ed, regarding the floods in Pakistan.

He pointed out that Rotary is a recovery organisation.

Any assistance should be paid through the District Recovery Fund. Apparently, Shelter Box has 1900 units available and Aquabox has 300. These will be distributed once the water has receded.

Service Projects - Jane Owens

Jane also thanked all those who had assisted at the Show. The takings were similar to last year, though it did appear that there were less people about.

Jane said she did have problems finding which bank to take the money to, she certainly confused me!.

Unfortunately, we are not getting paid for manning the gates, as we were paid twice last year.

We discussed taking the MCU to the Probus function at Tanderra. This will be on Monday the 6th of September and Brian is looking after it. He had met with some of the Committee of Probus on the site. The Mcu is to be taken there on the Sunday. We are still having problems getting enough people to man it for the day.

Glen requested a list of names of members who are going to assist with tree planting and site maintenance at the Riding for the Disabled on the following Sunday morning.

Treasurer - Keith Sichler

Keith reminded Members, that some annual dues and payments for Club shirts are still outstanding.

Another payment has been made to the Cat Club for the Pavilion. They have requested that the final payment be made before the end of the financial year, to enable them to close their books.

There is still one payment to be made to the MS Project.

Local Contact Directory - Perry Eden

Perry made his annual appeal for helpers to sell the spaces in the directory and seemed to get a fair response. He would like this to be completed before Christmas.

Club Service

It was agreed that we would hold the Assembly at the Pavilion .David volunteered to make soup, Peter is arranging the meat etc. and Jane will advise the missing Members of the change of venue.

Sergeant - Peter Nichols

As usual, the Sarg. managed to find a fine on most Members, Glen especially, as his computer is still working, could he become our next computer guru?

It was agreed, that if the Sarg. checks the spelling in the Bulletin before it is printed, it will save me some money.

GUEST SPEAKER

There was no specific speaker.
