

Kicking off fundraising for bathroom upgrades at Amaroo Lodge were Rotary Club past president Tim Clements (left), Ancillary manager Diana Warner and Rotarian Peter Nichols.

Rotary backs Amaroo upgrade

By Fai CHIVELL

The Rotary Club of Whyalla visited Amaroo Lodge on Thursday bringing with them a donation to boost a planned upgrade.

The donation will add to the funds needed to upgrade the six bathrooms in the self-funded residence facility.

The need was brought to the Rotary Club of Whyalla's awareness through member Peter Nichols.

It was agreed the work that Amaroo Lodge carries out in the community was worthy of Rotary's help.

"When Rotary learned that Amaroo Lodge were raising funds for the bathroom renovations we decided that this organisation would benefit from a donation of \$1000," past president Tim Clements said.

The self-funded residence facility is required to meet certain standards and there is always necessary upgrading or renovations needed from year-to-year.

"This donation is much appreciated and will go a long way to helping us to fund the bathroom upgrade," Ancillary manager Diana Warner said.
