

Community gives to a good cause

4th March 2010

Money raised at The Rotary Club of Whyalla's stall will be sent to the Polio Eradication fund to help immunise children at risk.

Rotary club member and organiser, Kerry Wishart thanked the community for their generosity.

"We want to thank all those who visited the stall and who donated generously," Mrs Wishart said.

"The club raised \$103 on the day and this will go a long way in contributing to this worthy cause."

The stall was held at Westland Shopping Centre last Saturday.

Children were presented with a

colourful blue or yellow balloons to mark Rotary's 105th birthday celebration.

Many parents took the time to view photos on display that were taken of the Haiti earthquake devastation and to see brochures on the contents of a Shelter Box of which thousands have been sent from around the world for the earthquake victims.

"It was heartening to see people pick up a brochure on the work that Rotary carries out around the world and to be asked questions on the projects that the Rotary Club of Whyalla does in the community," Kerry said.

Rotarians had fun meeting visitors at their stall on Saturday: (back, from left) Glen Eden, Kerry Wishart and Jane Owens, (front) Isha Baker, Nellie Cowan, Eliza Smith and Rotary club president, Michele Hart.
