THOUGHT for the WEEK

"A pessimist is one who makes difficulties of his opportunities and an optimist is one who makes opportunities of his difficulties "

Both Michele and Soto have been invited to the Awards Night in August. ☞ There is a new flier for the District Conference in August. ☞ Whyalla Norrie Rotary club have their Change Over Dinner on 2nd August, please respond to the Secretary. ☞ Request from Coralie to help her clear out Dion's house as he has to transfer to Adelaide for his treatment. The 'Kindy Ready Kits' are for young Aboriginal Children who are getting ready to go to Kindergarten. Vicky asked if we would help by making these bags using the Peggy Brookes pattern. The Pattern was handed round and a number of members were inspired to participate. Peter and Karen have volunteered to collect the bags.

Sergeant— Soto Stuppas

The Doughnut Robot

This week Soto made us work for our Dollar. He gave us a rundown on the, long and tiring, Male Bonding Trip he had with Alistair when they went to Melbourne to pick up the doughnut robot. He told us about Alistair's GPS getting them a wee bit lost. Robyn calls it Bossy Belly. He told us about his first impressions of their Ridgeway Road destination with the Lexus and the MX5 and the 2 Harley's in the garage. By now he is rubbing his hands wondering what kind of profit the doughnut robot was going to make. After telling us their hilarious exploits he got down to the business at hand and asked us numerous questions. For example How long did it take them to get there? How many speeding tickets did each of them get? After a number of wrong guesses someone guessed correctly. Thankfully neither of them got a speeding ticket. When they got back on the Sunday they cleaned the machine and he is "looking forward to seeing the robot working, it was a great trip and I hope it works for us."

GUEST SPEAKER

Alun Hughes—Rotary's Seven Year Plan

District Governor Alun opened his talk by telling us it was a pleasure to be in Whyalla. It reminded him of when he was first married and living in Leigh Creek. It was interesting to listen to Alun tell us about the History of the International Rotary Strategic Plan and the relevance of our, district 9500, Strategic Plan working in with it. There is seven points to the Strategic Plan which he highlighted in detail including; Eradicating Polio; Promoting Rotary; Fund Raising; Membership; Education; Development of Leadership and finally the seventh point is Implementing the plan. He also talked at length about; The Paul Harris Quote being 104yrs old, where will Rotary be in another 100yrs, we need to plan for the next 100yrs. Bill Gates benevolence and how he is proud to be a Rotarian. Finally D.G. Hughes put out the challenge to all Rotary Clubs to make sure things happen.

Jari gives the vote of thanks

"That's my message and I hope you all take it on board".
