Rotary Information

November is Foundation Month

PolioPlus. Rotarians have mobilized by the hundreds of thousands to ensure that children are immunized against this crippling disease and that surveillance is strong, despite the poor infrastructure, extreme poverty, and civil strife of many countries. Since the **PolioPlus** program's inception in 1985, more than two billion children have received oral polio vaccine

Taken from The Rotary Foundation of Rotary International 2008 FACTS

John Holds

The Rotary Foundation of Rotary International was established by Arch Klumph "to do good in the World" Its mission is to **enable** Rotarians to advance world understanding, goodwill and peace through the improvement of health, the support of education and the alleviation of poverty.

During November our Club Officer for Rotary Foundation, John Holds, would like to share some interesting Foundation facts.

THOUGHT for the WEEK

At the last minute Soto kindly stood in for Jari.

It wasn't so much a TFTW, it was more about making you think.....

About how the Department of Agriculture found Mad Cow disease, and how badly the

Department of Health were looking after our health

Perhaps they should change places!

Now this little bulletin person could have this all wrong

but I think this was the gist of it.

It was quite profound.

THE FUTURE OF ROTARY IS IN YOUR HANDS

PRESIDENTS REMARKS - Michele Hart

☞ Michele began by telling the meeting why Jari was an apology and thanked Soto for stepping in at the last minute ☞ She then told the meeting that 'tonight would be a bit of an information night and Jane would give us a slide show of her Canadian holiday. ☞ This week Michele had heard from Edward John Eyre High School re: ongoing financial support and Robyn Payne about old text books. Both these items will go to the Board Meeting on Thursday 29 at Damien's. ☞ There was a phone call from Amelia Cooper at Whyalla Economic Development Board asking Michele to attend an information sharing meeting on new immigrants to Whyalla, Glen will attend in Michele place. ☞ At the week-end Michele attended Port Lincoln's 60th Birthday celebrations. ☞ President Michele will be an apology next week.

**Highlights**

☞ **Jane**—is getting a long awaited driveway next week. ☞ **Glen**—Had to visit the hospital emergency and accident unit on Friday night, and was happy he did not look as bad as the rest of them

Birthdays & Anniversaries

Rotary Information - Alistair Stevenson

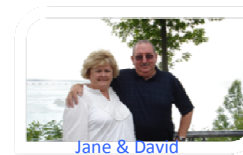

☞ **MCU**—After a few hiccups the MCU is back on track. ☞ **Nesting boxes**—Alistair picked up the nesting boxes this week and was very impressed with the service he received. Everything was on time, where it was supposed to be, they knew he was coming, it all went very smoothly.

Sergeant - Soto Stuppos

☞ **Alistair**— for running out of gas. ☞ **Brian**— will be board this week-end, not working on the MCU. ☞ **Perry**—for being a cricket buff. ☞ **David**—for being on the front page of the Whyalla News. ☞ **Clint**— \$170 Fine????? ☞ **John C**— Soto finds it hard to fine John but last week his phone alarm went off to Sting's 'Roxanne'. ☞ **Fai**— Speechless for the first time. ☞ **Glen**— At the hospital again. ☞ **President Michele**— Keeps cheating!!!

**Rotary Information**—Glen Eden

☞ **Membership**—Once Glen had settled a few hecklers in the back he went on to talk to the meeting on a more serious note about the Membership of the Club. To become a Rotarian you have to be invited. As Glen said "You like and enjoy coming here on a Tuesday night. Somebody invited you. You need to think seriously about inviting someone." The pressure is on..... By the end of the year we aimed to increase the numbers to about thirty. We have had two inductions—this makes us just a little behind the eight ball. Glen would like to encourage all Rotarians to get some names to the Secretary or himself.

**JANE OVENS**—Canadian Holiday

Jane provided us with an entertaining, whistle stop, slideshow of her holiday to Canada earlier this year. The journey began by taking her mum to Sydney in the evening to see the Opera House all lit up. Then on to Vancouver where the highlights included spending time with her family; Capilano, where the trees were magnificent; Eating fish and chips in a cafe by the beach, looking out over the skyline of Vancouver; Victoria on Vancouver Island. Then on to Niagara Falls, a must do for everyone. After Niagara it was on to the Rockies; Banff National Park; Chateau Lake Louise and Chateau Banff for High Tea with cucumber sandwiches and Champagne. What more could a girl ask for. It was a wonderful holiday.
