### Thought for the Week

Life is like riding a bicycle, you have to keep moving

**Presidents Remarks - Jack Odgers**

Jack reported on the tree planting at the Riding for the Disabled site on the previous Sunday, there were 50 trees planted and some weeding was done. A friend of Glen's, Terry Sherwen assisted with the work.

There is going to be a working bee at the Wetlands, date to be arranged.

The paper work for Kaistina Kosomitos, from Samaritan College, who will be attending the Summer Science Experience has been completed.

**Highlights**

Clint had visited the Darenberg Winery at the weekend, unfortunately there were no samples. Kerry apologised for missing the last two Meetings, she had been at Hamilton Island and Port Broughton. She gets to some exotic places! Other good news was, her son has started work with Onesteel.

Perry has put his previous house up for sale.

Keith's son Martin came home for the weekend from London!

**Birthdays & Anniversaries**

Only one listed for the week, is Nicki Cagney's birthday.

**REPORTS****Secretary - Tim Clements**

Tim advised that the Club has supplied the local branch of Foodbank with a photocopier.

As we thought, the Whyalla Show Society have paid us again for manning the gates. Tim assured us that this will be returned

Tim requested a list of names from members who will be going to the Norrie Club's picnic at Warren's Gorge on Sunday the 12th.

He also asked for a list of names from those who are planning to take part in the 10 pin bowling match against them. This will be on Friday the 17th

Tim did not know the time of these events, but will advise us.

**Treasurer— Keith Sichler**

Keith presented financial statements for the year so far and answered any questions raised.

Soto is developing a manual cash handling procedure, for use by all

Members.

**Service Projects - Jane Owens**

It was suggested that we should have a session on hygiene, for those working in the MCU.

Several technical problems with the MCU were raised, including lack of ventilation at the rear of the MCU, an extractor fan is required.

The possibility of either shading the serving window, or fitting a roller shutter was also discussed

It was also suggested that there should be more signage on the side of the van, as it looks a bit bare.

The Friends of Rotary list was upgraded

**General Business -**

An e-mail was received from the DG regarding Members having a Police Clearance Certificate, he recommends that all Members should have one, but it is not mandatory. A show of hands revealed that several Members do have one. Jane to check for a "V" number, as volunteer organisations do not have to pay for this service.

Concern was expressed regarding the lack of a sign on the front of the Pavilion, notifying that the building belongs to our Club.

President Jack has this in hand

Brian managed to put together small, but high quality team for using the MCU at the Probus District Picnic at Tanderra. John D. is going to take on site.

Kerry had been previously asked to investigate alternative venues for the Club Meetings. She discussed two possible places, which will be tried.

**Sergeant -**

Fortunately Peter was absent, as Glen was heard to say that thistles were weeds. This upset two Members who know that they are national symbols!
