and every opportunity of service,  
we give you thanks O Lord. Amen

### Four Way Test

of the things we think, say or do.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

## Rotary Information

### Whyalla Norrie Picnic at Warren's Gorge

Last Sunday, several Members of our Club joined members of the Norrie Club for a BBQ at Warren's Gorge in the Flinders Ranges.

There were about thirty people attending, unfortunately, the weather was a bit iffy. Though the company made up for it

Luke Saxon, doing the cooking

A couple of highlights on the day, Jennie got pipped for speeding on the Pt Augusta road and I got a badly cracked windscreen on the same road going home.

As is said, you win some, you lose some.

## Thought for the Week

Truth, wisdom, learning and good sense are worth paying for.

**Presidents Remarks** - Jack Odgers

Jack told us how the “Boss” had given him the day off, to weed the garden. He told us that he spent part of the time watching a colony of ants moving home!!

**Highlights**

Michele has started going back to the gym, for the first time in months, maybe Vin should too, as his battery was flat.

**Birthdays & Anniversaries**

Brian and Marg Garrett, were due birthdays and Glen had joined the Club on the 8th of September 1966.

**REPORTS****Secretary** - Tim Clements

Tim advised us, that Marie Dorrington, of the Adelaide West Club, has been nominated as District Governor Elect for the year 2011/2012.

Board meetings will now be held on the first Thursday of the month, as financial statements will be available.

The Board has decided that on scheduled Rotary Info and Fun Nights, the Chairman of the night will be expected to provide the information section and Club Service to arrange the fun section.

A request has been made, for a band to use the Pavilion for their practice sessions. Tim will investigate and advise.

An e-mail has been received from a lady in the Rotary Club of Bulawayo South in Zimbabwe, who have one of our Club banners, she has suggested that we could share ideas. Tim has given her our e-mail address.

**Service Projects** - Michele Hart.

In Jane's absence, Michele advised that there will be a committee meeting on Wednesday 15th, it will be at David's home, starting at 7.00pm

Brian reported on the MCU outing at the Probus District Picnic. After an exceedingly slow start, they ended up making a few dollars.

We have been requested to take the MCU back to Tanderra, at the end of October for their Medieval weekend, more later.

**Rotary Foundation** - John Holds

John advised that he had attended the Foundation in Adelaide last month, it

covered many topics, which John will report on in more detail later.

**Club History**- Vin Higgins

Vin spoke about the Meeting on August 1st 1974, this was when the Club was involved in the building of the Fishing Jetty at the Foreshore . One interesting fact was that fourteen Members agreed to make up any shortfall if the public fundraising failed to cover the costs!

**Sergeant** -Peter Nichols

Treasurer Keith had apparently given Peter an account for half his annual subs for \$12.50 and David, for being only 6 when Glen joined Rotary.

**GUEST SPEAKER**

Mary-Anne Pitman

Living in the USA

Mary-Anne is an Adelaide woman, who had the travel bug. She worked for a year in Japan, then had a year in Europe. On her way back to Australia, she visited an aunt in Maryland in the US, for a short visit, but she found it so attractive, that she stayed there for 15 years, from 1993 till 2008.

Most of this time was spent in New York. She lived mainly in the Borough of Manhattan and related several of her experiences there, the good the bad and the ugly.

She felt the good was that the city was always full of people, night and day and with this there was an element of security. The population of New York is 8 million and Manhattan is 2.5 million

The bad, was that she was attacked and had to fight a mugger for her handbag, which she managed to keep hold off.

The ugly, well she did relate an experience with a character who had a rather strange, though harmless fetish.

She related how the events of 11th September 2001 affected her, as her office was not that far from the Twin Towers.

She is back now in Adelaide, mainly for family reasons
