## Thought for the Week

*I thought that some of the Members of the Whyalla Club were very smart,  
by the way they monopolised the only four armchairs at the Pets Day.*

*Nothing would shift them*

**Meeting 2837**

This was a joint meeting with the Whyalla Norrie Rotary Club, at their meeting place.

There were nine Members of the Whyalla Rotary Club present.

Like all Rotary Clubs, their Meeting was different from ours, for example, instead of having a simple raffle, there was a complicated heads or tails game.

This could have gone on all night, if a Whyalla Member hadn't helped to complete it.

Also, when they started talking about handing out the "Round Tuit", a couple of Whyalla Members looked a bit confused.

This gets handed out to someone who doesn't get round to doing it.

We were subjected to two Sergeants, Tracey from Norrie and Peter from Whyalla.

Peter fined this Bulletin Editor for not writing the truth about the Sergeant.

Imagine that from a Sergeant!

The Guest Speaker was a young man from Whyalla, William Binnie. He is the local representative for the Smith Family.

The Smith Family was started by a group of businessmen, with the aim of assisting young people financially with their education expenses. They wished to remain anonymous, hence the name.

One method of sponsorship, is for individuals to support one child through their learning years, again, the individual remains anonymous.

Their programmes are many and varied, with naturally the emphasis being on education and they work with other groups to this end.

It begins with very young children and can carry on until the young person gets into tertiary education.

William covers both Whyalla and Port Augusta and the numbers involved are considerable.

In Whyalla alone, in the programme covering the early years of the child, he looks after 106 families, covering 300 children.

William then answered several questions from the Members.

**President Elect Training Seminar (PETS) 2011****This year's PETS:**

- ☞ Was held at the Playford Apartments in Whyalla on Saturday 19 February 2011 between 8 am and 4 pm.
- ☞ Trainers were District Governor Elect (DGE) Eric Russell, Ken Hinkly and Ralph Day
- ☞ Had approximately twenty five attendees with representation from the Rotary clubs of Port Augusta; Port Lincoln; Port Pirie; Roxby District; Whyalla; Whyalla Norrie;
- ☞ Largest number of attendees was from Whyalla with eight of us.
- ☞ Morning Tea; Lunch and Afternoon tea was catered by the Friends of Amaroo. "Very tasty in deed, and not fattening" .....
- ☞ Ralph Day, the District Training Chair, opened the day with the welcome and introductions.
- ☞ DGE Eric talked about 'Taste of San Diego' unfortunately this little Rotarian was late and missed this one.
- ☞ Ken, went on to tell us 'I'm from the district. I'm here to help you'
- ☞ When I arrived DGE Eric was telling us about Marketing and Public Image. He explained about when the circus comes to town and equated that to Marketing and Public Image. We then broke up into our clubs to discuss the question "what are the challenges in our club or district." Our group talked about 'perhaps there is too much emphasis put on marketing etc' we also talked about planning, it is different in bigger clubs, what we use to market our club.

Then it was morning tea – I'm glad I got there in time for that. Ralph explained that Morning Tea and Lunch were longer than usual to allow us to network and ask questions if we need to.

- ☞ After morning tea, Conducting Service Projects was broken up into four sessions
  1. How to undertake a Community Needs Analysis
  2. How to write/develop a project proposal
  3. Sources of funding and
  4. How to write a simple press release.
- ☞ We were given hand outs, there was a Power Point presentation, there was lots of discussion and again we broke up into groups for discussion. The headings on the handout included: Sources of Funding; How to write a simple press release; Project Proposal form; Community Needs Assessment form and Community Needs Analysis. If anyone wants a copy of any of these just let us know.
- ☞ After the two breakout sessions one: 'Your job as President,' Secretary, Treasurer, Administrator; Community and two: Vocation; New Generations and International we went on to discuss Australian Rotary Health Foundation & The Rotary Foundation.
- ☞ Then the day became really interesting with the open forum—Whyalla Norrie club were asked to tell us how they are managing to increase their numbers. Shirley Gabb did a great job telling us her thoughts. Then the icing on the cake, there were two awards to be presented and President Jack went up and collected the Award for 2009-2010 Weekly Bulletin and the 2009-2010 Public Relations on behalf of the Rotary Club of Whyalla.

**In summary**—It was an enjoyable day, the location was a success, there was plenty of time to ask questions and the trainers kept telling us that everything is on the web page or in the Directory (which every club member has). Next year, Soto's year, the theme will be 'Reach within to Embrace Humanity. DGE Eric has made it plain that we need to be careful with our acronyms and we should always have the proper name then the acronym in brackets. I have come away with a new term—'Energy Vampires'.
