## Wanted

Does anyone have a barrel type vacuum cleaner that they no longer need, as the floor and the cupboards in the van are quite difficult to sweep.

**Presidents Remarks - Jack Odgers**

Meeting 2842 was a Club Assembly and was held at the Rotary Pavilion, the meal was a BBQ, this was supplied by Soto and was cooked by him and Brian, Jane supplied homemade soup and Michele the salads.

This was enjoyed by all present.

Pres. Jack had been approached by someone a Tafe, to make the MCU available for a function, on Wednesday the 20th of April, Jane agreed to investigate this further, but the date is too near the Snapper Comp.

He was also contacted by PP John Roe of the Pt Pirie R.C. regarding our Club participating in a Rotary sponsored Bowel Scan Screening promotion in March next year.

Our involvement would be organising information sessions, possibly at the Westlands Shopping Centre.

This will be considered.

**REPORTS****Service Projects - Jane Owens**

The final roster and arrangements for catering at the Kick Boxing event are in place. Brian is ordering the supplies, Tim has the generator in hand and Soto will deliver the van.

DIK; There are still some articles waiting to be delivered to the Adelaide Depot, Clint will try to take some of them this weekend, there are also dentist's chairs to be picked up, these are very heavy and he will require assistance to load them.

The suggestion that a sign showing the Pavilion direction at the Showground gate was discussed, but it was agreed that it was not warranted.

The sign for the outside of the Pavilion is in hand, it will be a large Rotary Wheel, with the Club name and web address on it.

Glen raised a matter regarding the Commemorative Plaque regarding our Club's involvement in the building of the Show Society Office building. This is not on display.

The Club will write to the Society about this.

Shelter Box. : David is keen to progress with a plan to promote this and will get back to us in the near future, we are still trying to obtain a complete Shelter Box to use as a public display.

A discussion was held on the proposed Hat Day in May, it was suggested that this could be a joint effort with the Norrie Club. Jane will investigate getting the use of the Library window as a form of advertising among other ideas.

Pavilion : Soto spoke on the plans for altering the arched wall to open up the interior space and for the painting of the whole of the interior of the building.

He is keen for this to be progressed soon, but there is a bit going on during April.

**Club Service -**

In his capacity as Pres. Elect, Soto spoke on his plans for the forthcoming year

He intends to make several changes to the way the Club is run, the main one being that there will no longer be separate committees as such, the board will make decisions regarding projects and Members will be asked to carry them out.

This is mainly due to there only being 16 active Members and there can be to many jobs, taking up to much time for people.

The Club Meeting format will also change, with two "normal" meetings each month with guest speakers, one Assembly type meeting and one "Fun Night" type meeting. In the months with five meeting, the fifth one would be a normal type meeting.

This format would assist in Members bringing potential Members to Meetings where there was no Club business discussed, which can be off putting to new people.

**General Business**

A discussion was held on the venue and meals at the Eyre Hotel, the consensus was that for what we pay, we are getting a fair deal, though there are a couple of matters that David will raise with the management.

The relationship between the two Whyalla Clubs was discussed. It was felt that this was going quite well and there was always the potential for joint projects and Meetings.

Past and future Club projects were also discussed.

Treasurer— Keith Sichler

Keith circulated financial for both the Services and Club accounts, but due to time constraints, this was not discussed.
