Thought for the Week

If you want the rainbow, use must put up with the rain.

This was credited to a very smart lady, Dolly Parton

Presidents Remarks - Jack Odgers

Pres. Jack welcomed Members and guests to the meeting.

He said that he had heard a whisper that someone had been working at the Pavilion.

Highlights

Brian nearly had a highlight, as he went to see the Crows. Glen and Bev attended past Member Ron Heading's 80th birthday

REPORTS**Secretary - Tim Clements**

Tim circulated correspondence to the relevant Directors.

We have been requested to promote a Breast Screening campaign later in the year.

Service Projects - Jane Owens

Jane advised that the Club will assist a young lady called Amy Caldwell, with \$300.00 to further her ballet, hopefully she will attend a Meeting in the near future.

The roster for the Snapper Fishing Comp. over Easter was circulated, there are still plenty of empty spaces.

Some of the Friends of Rotary have again offered their assistance.

Club Service - Soto Stuppos

Soto owned up to doing some preparatory work at the Pavilion, this is continuing and will result in the all the interior walls being painted, he said that he had ordered the materials required, including paint called sunburnt peach!!.

Ladders, planks and drop sheets will be required.

Sergeant - Soto Stuppos

Soto queried Glen on how many parts of his life will he be speaking about.

Michele has allegedly not turn her clocks back yet. Tim went fishing and apparently caught a cold, though that is better than nothing.

He suggested that he would be fining Jari at every Meeting, for being engaged to Cheryl for too long.

Liz Bennet & Graham Parish

Whyalla Mental Health Team

Liz spoke about their team, which is based in the Whyalla Hospital, it comprises nine members, there are qualified nurses, social workers and a couple of assistants.

The group of people they look after are over eighteen years of age and above, their area also covers Cowell, Cleve and Kimba.

The patients go through a referral process usually by GPs, but this is not always the case.

Patients are assessed and their treatment depends on the urgency of their condition, teleconferences with psychiatrists in Adelaide are part of the process. This can result in patients being taken into care.

They can also be referred to other services, such as Drug and Alcohol for treatment.

Drugs and alcohol are a significant cause of mental health problems.

The Team have approximately 140 patients on their books at any one time

Vote of Thanks— Glen Eden

In thanking Liz and Graham for speaking to us, Glen related a rather disturbing story of an experience he had with a mentally ill man
