REPORTS

1. **JANE.** Jane had a PowerPoint Presentation on the current state of the Rotary Rotunda at Rotary Park near the Foreshore. The Rotunda and Park have stood the test of time but are in need of some TLC. The Rotunda was established in the years leading up to our last District Conference in 2001 when Keith was President and Glen was DG. The project was initiated by Ron Heading, Syd Harvie, Vin Higgins and Co who spent a lot of time preparing the site, planting trees & shrubs and laying irrigation equipment. The sign that was erected has since long disappeared. It seems the kind of project that we could all get our teeth into.

Mayor John Smith, Glen Eden and Ron Heading at the hand-over to Council.

2. **TIM.** ► Alistair was admitted to hospital on the weekend with an irregular heartbeat. He is out now but is still undergoing some tests etc. ► The 20 Humanity In Motion Coffee Table books have arrived for distribution around waiting rooms and places where people gather. ► The four Samaritan College students gave their report on Rotary to their peers last week which was very well received. ► The Local Contact Directory is now up and running with Glen, Tim and Jane all reporting great success in signing up repeat business.
3. **SOTO.** One of the students at the University Campus is keen on arranging community support for a Shelterbox around 13th or 14th October. Although this is short notice, members were keen to help. This could be an excellent opportunity not only to promote the work of either Shelterbox or Disaster Aid Australia AND Rotary in general amongst the up and coming professionals in our community. David Dunn has offered to seek out a Shelterbox or similar for display and we will coordinate the brochures and posters etc,

SERGEANT - Jack

Sergeant Jack made up for not getting a word in during the previous meeting by making sure everyone got a serve this time. It appears Jack had a couple of visitors to his Bike Shop during the week. First to show was John Cagney arrived to purchase a bike and we assume is training for the Tour Down Under. Next thing, Soto turned up to purchase an attachment so that he could put one or two bikes on the back of his 4WD. Jack is still waiting for him to buy a bike!

CLUB HISTORY

Vin Higgins

The year was 1971 and the Meeting was No. 834 on 11th November.

President was Bert Holds and the building of the Senior Citizens Recreation centre on Field Street was in full swing. The windows were in, solid doors hung and plastering was in progress.

A new member, Hedley Jamieson was inducted and arrangements were being made for a Christmas float, a Ladies Night and the Geriatric Picnic. Vin did have to clarify that the picnic was not for Rotarians but was put on by Rotarians.

A Vocational visit was made to the premises of CA Parsons of Australia where Manager George Sloan gave a description of the plant as the party moved from point to point.

Attendance was 39 = 81%.
