ROTARY INFORMATION

A. G. TIM—From the Rotary Down Under magazine, Tim read some interesting messages from Kalyan Banerjee, President, Rotary International, from page 5. 'What are you really worth?'. This included—
In life, everything is a choice. We can choose to close our eyes to the needs of others, to keep what we have for ourselves to declare the problems of others to be theirs alone. Or we can choose to look past distance, past colour, past language and dress and culture, and see that people everywhere are just like us—and then refuse to walk away.

AG Tim also read from rotary on the Move 'Hope is not a strategy!'. A little snippet said;
For clubs to be successful they need to have good strategies in place. Successful Clubs know what they are trying to achieve and how they are going to achieve it, they have plans. They know what the problems are and how they are going to solve them. They concentrate on solutions they don't focus on problems

Both articles were very interesting to our club.

Financial Report— Books are with the Auditor and returned as accurate and correct.

GUEST SPEAKER Rotarian Michele—her October Holiday.

"Michele, turn round, let me take a photograph"

Tonight, Michele treated us to a little snippet of her latest sojourn. We began with flying over the Alps. Then we went on to an evening at the Acropolis, the Parthenon and a very wet Athens, seems the weather was not at all kind to them. Santorini on the other hand was a paradise with it's white buildings on the side of the mountains. The Donkey ride was just a little scary and Paulette could not get Michele to turn round to take a photograph. The Gaudi Rooftop, made out of glass bottles, in Barcelona was interesting, we saw the weathered rock formation of Montserrat; the funicular railway; the Football club; the oldest restaurant in the world and the most impressive bank of Spain. Then it was on to Gibraltar and the famous Barbary Apes. After this jammed packed part of their holiday Michele and Paulette caught up with John, Trudi and Trevor and they went on their cruise. Where they saw a hele-vac, evacuation off the ship. The final leg of their trip was to Singapore where they enjoyed the beautiful colours of Little India, Chinatown and the wonderful infinity pool on the rooftop of their hotel.
