Rotary Information #1 - Peter Nichols

The RFDS Bush Trek is ON! Peter is looking for another team member or two and could use some sponsorship to put on the vehicle. This can be arranged for \$100 plus the cost of your sign. Our club has agreed to sponsor the Trek with \$500 and a big Rotary Wheel will be placed on the back of Peters vehicle. As an additional fundraising measure, there will be an event at the Pavilion on 22nd August when the 'Rotary Handicap' will be run and a Garage sale will be held on 5th September to cover costs. Peter is asking all Rotarians to clean out their sheds and donate their best junk and surplus goods to the sale.

Rotary Information #2 - Alistair Stevenson

Alistair brought us up-to-date with progress on the Van. The Pavilion will be generally unavailable for hiring as the Van will be stripped and the parts laid out across the floor. Please check with him first before offering use of the Pavilion. Alistair has checked with the Dept. of Road transport and because we are downsizing from an existing registered chassis, we will be fully compliant. Alistair also stressed this is a big project and will require lots of assistance. Even if you are not skilled with the welder there will be plenty to do in support activities, such as holding up the other end of the steel and other sundry tasks.

Alistair and Steve are planning a cardboard mock-up of the new design and which should be ready for viewing on Tuesday 14th July.

*The new-look shorter
Rotary Van?*

Rotary information #3 - Clint Garrett

Clint provided some information on the BHP Billiton EIS and encouraged us to write in support of an alternative site for the Desalination Plant.

SERGEANT: - *Brian Moodie*

The Sgt was alert to the fact the Peter describes himself as 'driver' probably because he can't spell 'chauffeur'

of the things we think, say or do.

1. Is it the truth?
