THOUGHT for the WEEK

We are only limited by the dreams we dare to dream.

OPENING REMARKS - Tim Clements

In the absence of Michele and Jari, past President Tim kindly stepped in. Once he had stepped in, out came his 'black book' and he began asking the meeting about the structure of the club committees; the history of community and vocation. He also talked to us about the object of Rotary. In a nutshell, the avenues are, 1st Service; 2nd Vocational; 3rd Community and 4th International. It was obvious who the veterans of the club were and who the novices were. Past President Tim also told the meeting where to find the information i.e. the Rotary Website;

pamphlets books etc.

Highlights

Birthdays & Anniversaries - Keith Sichler

Cheryl Norton has a birthday today. Probably a good reason Jari is an apology for tonight's meeting. In 1997 Keith was inducted into Rotary.

REPORTS

Secretary - Keith Sichler

'We have a few little items this meeting'

- * Board Meeting—Thursday at Michele's, 7pm, this will be the first Board Meeting of Michele's year.
- * Climate Change Forum—Adelaide Sunday 6 September. We have pledged active support for this initiative.
- * RAWCS— Annual Recognition dinner Saturday 29 August
- * TRF Joint District Seminar—Sunday 30 August. PDG Robert Brooks forwards preliminary details to clubs. Plans are underway to run a Membership Seminar at the same venue in the afternoon of the same day. More details to follow.
- * National Tree Day—this week-end at the Wetlands. This is our chance to get involved in this project at a grass roots level.
- * District Governor's visit—next week, it will be the usual room at the Eyre Hotel. Board members to meet at 5pm at the Pavilion.

Service Projects - Peter Nichols

P Handed round the Whyalla Show roster asking members to select times they are

available to work on the gate and on the Mobile Catering Unit. *R* Peter clarified that the club did not need a license for the raffle as the value of the prizes are less than \$2000. *R* Please make up tables for the dinner on the 22 August. *R* The gas bottles for the MCU have been checked and are within the regulations for the next few years.

Club Service - Jack Odgers

R Next week's meeting with the District Governor will be at the usual venue, 26 members and guests will be attending. Jack is going to speak with the Whyalla Norrie club about a joint meeting.

Sergeant - Soto Stuppos

Again this week Soto was on top form *R* **Alister** —for the poor performance in the 'slow down'; *R* **Tim**— couldn't find his badge tonight, that was because Soto was wearing it.... A dollar for picking on the Sergeant; *R* **Keith** — Wondering if there are any special bank awards for getting your picture in the paper every week; *R* **Glen**— Now how many trees did you plant? was it 80? last week you said 30 to 40; *R* **Perry**— Started shift work last week and was an apology, but this week he is no longer on shift work & *R* **Fai** — didn't fork anything while tree planting this year.

Rotary Information I - Glen Eden

Very quickly Glen wanted to thank everyone who turned up on Sunday morning for Tree Planting. Eighty-five trees and seedlings were planted and everyone was able to leave by 10:45am. Glen is sure everyone who turned up enjoyed themselves.

Rotary Information II - Fai Chivell

Fai kindly gave us a rendition of 'Apples and Wine'. A humorous look at life.

QUEST SPEAKER

John Cagney—Speakers 2009/2010

Firstly John wanted to share his reflections and thoughts with the meeting. He had been thinking "Why am I in Rotary?". It's about getting to know people, enjoying the speakers, working on the van, he especially enjoys the friendship and camaraderie shown by the club. He thanked his fellow Rotarians for being so warm, welcoming and encouraging.

Secondly John told the meeting that he had heard from Roz Lord who had personally taken the \$1000 donation from the club to the Kupu Kupu Foundation,

John then opened up his discussion to the meeting asking what they would like in the future for speakers. There was no shortage of suggestions from; regularly having the Mayor; to having some of the speakers back; to financial planning; to indigenous speakers; the list just went on and on.

Rotary Information

From the Captains Corner—Alistair Stevenson

First—the bad news. Alistair goes out Monday, Wednesday and Friday to maintain the Pavilion. This week he found the lights had been left on and the internal taps for the rain water had been left on. Would members using the pavilion please remember to turn out the lights etc.

On a lighter note (no pun intended) Alistair gave us an update of the special meeting he had with the Board the previous week. A Doughnut maker has been sourced and with the Board's approval—Soto and Alistair will go to Melbourne the following week-end and pick it up.

Alistair has also been out to Hatch and picked up an air conditioner for the MCU. Alistair commented that there was about eight hours of paperwork for a one and a half our job.

Robyn also commented A & R Copiers has changed, its not Alistair and Robyn any more it is now Alistair and Rotary.....

Watch this space for further weekly updates.

of the things we think, say or do.

1. Is it the truth?
2. Is it fair to all concerned?
