ROTARY INFORMATION

Rotary clubs around the globe have many things in common, including a commitment to service. Here's a roundup of recent club activities worldwide:

Afghanistan

After 5,000 vaccine carriers from Rotary International were delivered to Afghanistan, a ceremony was held in January at which the deputy minister of public health thanked Rotary for its work to eradicate polio in the country – one of three where the disease remains endemic. Officials from the World Health Organization, UNICEF, and USAID attended, and Rotary's International PolioPlus Committee Chair Robert S. Scott, Pakistan PolioPlus Committee Chair Aziz Memon, and two members of the Rotary Club of Kabul received recognition.

Turkey

Breast cancer is the most common form of the disease among women in Turkey, accounting for 24% of all cases. But diagnoses and survival rates differ in urban and rural areas; in less-developed regions, most cases are not diagnosed until the late stages, and more people die within five years of diagnosis than in developed regions. Rotarians in District 2440 are working with District 6780 (Tennessee, USA) on a Health, Hunger and Humanity Grant project to educate women about breast health and early detection of breast cancer. The effort focuses on areas of Izmir Province that the Turkish Ministry of Health has identified as medically underserved.

PRESIDENTS REMARKS - .

- ◆ Our Changeover will be at the Golf Club on Sat. 7th July. That's 19 days, but I'm still not counting! Please RSVP to Secretary Michele.
- ◆ Whyalla Norrie Changeover is 30th June at City Pearl.

**BIRTHDAYS & ANNIVERSARIES**

- ◆ Nil.

HIGHLIGHTS

▶ David Dunn held his first ever garage sale on the weekend with a start time of 9:30 am. People started arriving at 7:30 pm and apparently he 'sold a few things'. ▶ Jane had a good time at the 'Male out day' but her highlight was watching Keith and Soto test their knowledge playing Spicks and Specks on her iPad. ▶ Michele went to Clare for a murder mystery and had a great time. ▶ Glen's highlight was doing Meals On Wheels with Brian. ▶ John Cagney had a good time in Adelaide visiting 'The Greek' restaurant and the Casino.

REPORTS

- ◆ Tim & sue attended the Roxby Districts Changeover last weekend. The club now has 20 members-an increase of 10 from last year.
- ◆ Tim also subscribes to the comment that often our Rotary banners are upside down. We put 'Rotary' at the top, which often means that they do not progress to the message underneath. It was suggested that the message be placed at the top and the Rotary logo etc at the bottom. That way people would get the message first and associate it with Rotary at the end. Food for thought.
- ◆ Jane thanked everyone for supporting the Male-Out Men's Health day at UniSA on the weekend. Our stand supported Australian Rotary Health.
- ◆ John Holds spoke on the Men's Shed concept raised in a recent letter to the editor. John mentioned that there is a need for something like this in Whyalla and that the Mens Shed is a nationally recognised brand. Whyalla has the potential but there are some hurdles to its establishment. The key as always, is finding that core of people who are dedicated and sufficiently committed to its ongoing viability.

RAFFLE

- ◆ Raised \$63 and the two prizes were won by Jari and Tim.

SERGEANT - Jack.

▶ A good laugh at the sergeants expense this week as Sgt Jack began by fining anyone who did not acknowledge him at the bar earlier in the evening. Given the number of people fined, we began to wonder whether Jack was at the same bar and pub we were! ▶ We all know that it is in the interests of good fellowship that we each sit in a different spot each week. Trouble is that the 3 Musketeers, David, Keith and John D all moved seats only to find themselves sitting together on the opposite side of the room.

GUEST SPEAKER

Peter Peppin - Council CEO.

Peter is the recently appointed CEO of the Whyalla City Council. His background makes him an excellent addition to our fair city. Peter has spent the last 10 years as CEO in councils in the Adelaide Hills and he has also spent time in industrial cities such as Townsville (6y), Salisbury (6y) Melbourne (Broadmeadows) 4 y and now Whyalla as well as living in Mt. Isa. He is a Bachelor of Economics, is a Certified Practising Accountant (CPA) and also has a Company Directors Diploma. These are impeccable credentials; the only downside being that he is a West Coast Eagles supporter as he was living in Perth at the time of their AFL debut.

Peter Peppin

Some of the qualities which Peter has are that he has an aptitude as a change manager, is resilient, and has a business focus on infrastructure and economic development.

His priorities are to improve the general appearance of Whyalla to make it a more attractive tourist stop and place to live, improve the infrastructure of the city, strengthen its economic development base and tap into the events tourism market.

All of which should make him a good fit for Whyalla.
