FOUR WAY TEST

of the things we think, say or do.

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

Guest Speaker Linda Marshall a Cardiac Health & rehabilitation Nurse at the Whyalla Hospital presented an overview of the type of heart disease, the contributory factors, the symptoms, the first aid procedures & the hospital/surgical treatment in the event of a heart attack together with the rehabilitation process. Linda told us that a consistent & holistic program is being developed to ensure sufferers are all given the same service, treatment & follow up advice & assistance no matter to which hospital they are admitted.

Kerre Willsher proposed a Vote of Thanks on our behalf.

President Jane welcomed two visiting Rotarians—Brian Graetz (RC Barossa Valley) & Colin Barratt (RC Whyalla Norrie) & five guests Carrie Fisher & her daughter Georgia, Maralyn Sichler, Shaun Thomas & our guest speaker Linda Marshall.

On behalf of this Club Jane personally thanked Police Officer Carrie Fisher for her untiring & successful efforts in bringing last week's RYDA event to fruition. After a false start on the Thursday, Friday's event was conducted efficiently & to the benefit of the 150 students who attended for the full day. Well done to all—especially to you Jane, your drive & determination were evident & impressive!

Chairman Perry's Thought for the Week:

Aptly suited to Melbourne Cup Day—"The easiest way to double your money is to fold it in half & put it back into your pocket!"

LAST WEEK

Shaun Thomas returned to provide us with a brief status report on the proposed Science & Engineering Challenge. Since speaking to us on 12 August, Shaun has been busy talking to Schools, Venue staff, Sponsors & the organisers The University of Newcastle. Planned for Friday 9th August next year at the Recreation & Leisure Centre Shaun is confident of a successful outcome. His enthusiasm remains high & his excitement infectious. The event is likely to cost between about \$6k & \$8k to run but Shaun considers sufficient sponsorship will be forthcoming. He hopes to combine a University visit for out of town students on the Thursday followed by the Challenge on the Friday. I'm sure we can support him as volunteers or in other capacities at that time.

Members' Highlights & Achievements: Another busy week for members with a great variety of reward, fun & success—including reporting Orchids, RC Whyalla Norrie's Shop Assistant of the Year Award, relief at conducting a RYDA event after promises made, Wife away!, Wife studying, RYDA, drawing the 3 place-getters in office sweep!!!, a journal article published & then Jane gave us her **list** including the Quest opening & their \$2k donation, a TV news appearance, the Rotary Leadership Seminar & a medical check-up which ticked ALL the right boxes. Goodo Jane it's good to know we've got such a healthy & high profile President, getting all the right publicity for our Club & flying the Rotary flag at every opportunity. **Well done Jane.**

LAST WEEK

AG Tim advised the club of 2 important event dates proposed by The Rotary club of Whyalla Norrie. Firstly the 10 Pin bowling Challenge on Tuesday 27 Nov 7.0pm start, \$20 for 2 games & a Pizza! Tim will ask for competitors' names next week. Secondly the combined clubs Christmas Party at Ada Ryan Gardens on Sunday 16 December, times & cost TBA later. In addition Tim reported on Whyalla Norrie's annual Shop Assistant Award this year won by Wendy Thompson, representing Harris Scarfe.

Club Rotary Foundation Chairman John Holds spoke about the world wide influence & activities of The Rotary Foundation. Despite the wonderful Humanitarian projects & success stories all around the world, the workings, funding opportunities, project choices for Clubs to consider & basic details of OUR Foundation seem a well kept secret. It is apparent we have not had the benefit of a clear & concise explanation of the Foundation & as a result we as individual rotarians do not even pursue more detail or a deeper understanding or appreciation of one of the world's largest philanthropic humanitarian foundations. I'm sure many longer serving members have heard several attempts at unravelling the Foundation by speakers & including District Governors but sadly time limitations or poor presentation skills has worked against achieving a more thorough understanding of this amazing & crucial part of the International activities of ROTARY INTERNATIONAL. The Future Vision Plan was conceived to address these & other issues – we can expect to see the benefits of this plan in the near future.
