## LAST WEEK

### GUEST SPEAKER

Past President and current Club Historian Keith Sichler

Topic - Keith and Marilyn's holiday in Germany / Italy / Switzerland

Keith presented a fantastic slide show of Marilyn and his time away with their son Martin, driving through the possibly the most picturesque parts of central Europe.

We were informed that Martin, who lives in Germany, drove the car while the Navman was the navigator, until it's Aussie accent attempts to pronounce Germany locations got too much to bear for Martin.

The trio didn't bother to book accommodation ahead of time, but rather used the internet.

Closing from President John

Working Bee at the Show Pavillion next Tuesday—bring cleaning implements.
